# ABOUT BOAM CONSTRUCTION LIMITED

**BOAM Construction Limited** is a proudly Kenyan-owned construction and engineering company delivering innovative and reliable solutions across the built environment. We specialize in building construction, architectural design, engineering design, civil works, project planning, and landscaping, serving residential, commercial, institutional, and infrastructure sectors.

Driven by a commitment to quality, integrity, and excellence, we combine technical expertise with modern construction practices to deliver projects that are functional, sustainable, and built to last. Our goal is to exceed client expectations by providing cost-effective solutions, timely project delivery, and exceptional workmanship in every project we undertake.

# VISION, MISSION & CORE VALUES

## Vision

To continuously spur economic growth and positively impact humanity through outstanding professional services in the built environment.

## Mission

To maintain a strong clientele base through adherence to industry regulations, embracing modern technology, and delivering quality projects within optimal cost and timelines.

## Core Values

- **Integrity** - We uphold honesty, transparency, and accountability in every project and client relationship.
- **Innovation** - We embrace modern technologies and creative solutions to enhance project efficiency and value.
- **Safety** - We prioritize the health, safety, and well-being of our workforce, clients, and communities.
- **Excellence** - We continuously strive to exceed expectations through quality service.
- **Client Focus** - We place our clients at the center of everything we do, ensuring satisfaction through reliable service delivery.

## Why Choose Boam Construction Limited?

- **Quality Workmanship With Modern Construction Standards**
- **Trusted Experts In Construction And Engineering**
- **Timely Delivery With Professional Project Management**
- **Innovative Solutions For Sustainable Infrastructure Development**
- **Client Focused Team Delivering Exceptional Results**

# WHAT WE OFFER

## BUILDING & CONSTRUCTION

Delivering durable residential, commercial, and industrial structures with quality workmanship and modern construction standards.

01

## PROJECT PLANNING

Strategic planning solutions ensuring efficient budgeting, scheduling, risk management, and successful project execution outcomes.

02

## ROADS & CIVIL WORKS

We are a trusted civil engineering and infrastructure contractor committed to delivering high-quality, world-class roads and civil works solutions.

03

## INTERIOR FITOUTS

We specialize in delivering premium interior fit-out solutions that transform spaces into functional, elegant, and inspiring environments.

04

## WATER & SEWER

Professional water and sewer  
line contractors

05

## LANDSCAPING

Transforming outdoor spaces  
through beautiful, sustainable  
landscaping solutions that  
enhance property aesthetics  
and functionality.
